[1811741066@facebook.com](#) Wednesday, February 22, 2017 at 5:33pm PST

Yes. funny thing though. Once hospice got involved, the people often perked up. Lots of times dying people stopped dying for a while, because they were getting better care.

[100006815441811@facebook.com](#) Wednesday, February 22, 2017 at 5:31pm PST

Kinda late then

[1811741066@facebook.com](#) Wednesday, February 22, 2017 at 5:31pm PST

The thing is, a sloppily made gizmo is one thing. The gizmo doesn't really suffer. But a sloppily made care home does matter. People do suffer. I saw it all the time when I worked with Alzheimer's patients. People don't give shit one. Only Hospice cares.

[1811741066@facebook.com](#) Wednesday, February 22, 2017 at 5:27pm PST

I can't send u with a check (they won't take it) & im Not willing to send that amount of cash with you. Motel 6 says there is only 1 room left at the price I can afford. I need to know. Sorry for the pressure.
